The Registrar's Office is responsible for helping students with all aspects of registration and student records, including enrolling in classes, adding and dropping classes, withdrawing, evaluating transfer credits, providing veterans' services, issuing Dixie State University transcripts, conducting degree audits, and approving students for graduation. Students can perform many of these functions online through the online campus registration system (accessed by clicking "myDixie" on the University web page: www.dixie.edu).

The Registrar's Office maintains a **Frequently Asked Questions** website to assist students: <http://www.dixie.edu/registration/?page=FAQs>.

REGISTRATION

Registering for Courses

To register for classes at DSU, students:

1. Must apply and be fully admitted to Dixie State University.
2. Must verify that all financial obligations to the University have been cleared.
3. Should meet with an Academic Advisor each semester.
4. Log into the myDixie account:
 - a. View the online Course Schedule.
 - b. Select classes that fulfill General Education and/or major requirements first.
 - c. Check placement / prerequisite requirements.
 - d. Work out a tentative schedule.
 - e. Add classes online under Registration.

Registration and Orientation at Dixie State (R.O.A.D.S.) (including former High School Concurrent Enrollment Students)

All new freshmen are required to complete the Registration and Orientation at Dixie State (R.O.A.D.S.) before they can begin registering for classes. R.O.A.D.S. will introduce new freshman to campus, including degree programs, academic assistance options, student services, campus terminology, etc. Freshmen sign-up for R.O.A.D.S. sessions at <http://www.dixie.edu/oandr>, by calling (435) 652-7590, or by emailing jointhestorm@dixie.edu.

Student Responsibility

It is the responsibility of every student to verify the accuracy of his/her schedule before add, drop, and fee deadlines each semester.

Students may check their own class schedules

- Online in myDixie
- At the Academic Advisement Center
- At the Registrar's Office.

Adding Classes

- Students should register as soon as possible because availability is limited.
- Students may add classes once registration has been opened for their class level (senior, junior, etc.) through the 5th day of that semester.
- To add a class after the 5th day of the semester, students must submit an ADD card with the instructor's signature to the Registration Office.
- No class may be added after the end of the 4th week of the semester.
- An instructor's signature on an add card will NOT override placement / prerequisite criteria. To override those requirements, the additional signature of the appropriate department chair or dean is required. Program chairs and deans are listed in the academic program section of this catalog.

Waitlisting Full Classes

- If a class is full (listed as "C" or closed), and a Waitlist is available, a student may choose to be Waitlisted online in the Student Services registration system.
- The student will be notified when a seat becomes available in the class. The notification is sent to the student's Dmail account, and the student has 24 hours to add the course.
- After the 24 hours, if the student has not enrolled in the course, the student is automatically dropped from the Waitlist for that class.
- Once dropped from the Waitlist, the student must re-select Waitlist for that class and begin the process again.
- The Waitlist is available through the 4th day of the semester.

Dropping Classes

- Students may drop classes online through the end of the 8th week of the semester.
- If a course has a corequisite, a student cannot drop one course and remain enrolled in the other course.
- Dropping a class or classes may affect a student's financial aid.
- A \$10 fee per class is assessed for students dropping a course after the first week of the semester.
- No refunds are given for classes dropped after the end of the 3rd week of the semester. Classes dropped after the 3rd week of the semester will be marked with a "W" grade on

the transcript.

- No individual class(es) may be dropped after the 8th week of the semester.
- Students with extenuating circumstances may request a Complete Withdrawal from the University through the 12th week of the semester. (*See Complete Withdrawal below*)

Auditing Classes

Auditing enables a student to attend a class without receiving a grade or credit. A student who chooses to audit a class must pay all applicable tuition and fees, but no grade or credit will be issued. Once a student has requested a class be changed to audit status, a grade of AU will be issued.

- A student may enroll in a class as an audit according to the ADD deadlines and procedures.
- A student already enrolled in a class may change that class to an audit through the end of the 1st week of the semester.
- A fee will be charged for **changing** a course to audit status beginning the 2nd week of the semester.
- The request for audit status cannot be reversed.
- Students should determine the impact changing a course to "Audit" will have on his/her financial aid.

Administrative Drops

A student **may** be administratively dropped from a class or all classes for the following reasons:

1. Not attending a class on the first day of class without receiving permission from the instructor. (*See Attendance above*)
2. Registering for courses for which the prerequisites have not been met.
3. Neglecting to pay all tuition and fees by the end of the 3rd week of the semester.
4. A registration hold was overridden incorrectly.
5. As part of sanctions imposed through the Student Code.

IMPORTANT NOTES: There is no guarantee a student will be dropped for non-attendance.

- **It is a student's responsibility to drop classes s/he doesn't attend and to verify the accuracy of his/her class schedule.**
- Not all instructors drop a student who never attend a class, although they are encouraged to do so.
- Administrative drops may affect minimum load requirements, financial aid status, graduation requirements, or other areas.
- Once a student registers for a class, tuition and fees are assessed, even if the student does not attend any class meetings.
- Registering for a class but never attending will impact a student's financial aid eligibility.

Complete Withdrawal from the University

A student who experiences serious personal issues (medical, psychological, financial, family, etc.) can request a complete withdrawal from **all** classes through the end of the 12th week of the semester.

- Complete withdrawal must be from **ALL** classes, not an individual course or courses.
- Complete withdrawals may be requested online in the Add/Drop section of the student registration system.
- Complete withdrawal may affect a student's financial aid. Any possible refunds for a complete withdrawal are issued according to the deadlines published in each semester's course schedule.

House Bill 60 (H.B. 60)

Utah residents age 62 or older are eligible to enroll in Dixie State University classes under House Bill 60 (H.B. 60) regulations:

- Admission application is required.
- One-time, non-refundable admission fee of \$35.00 is required
- If no students are waitlisted for the class, an instructor can sign an H.B. 60 Add card beginning the first day of class, on a space available basis.
- Submit signed H.B. 60 Add card to Registration Office.

H.B. 60 students audit courses. No credit or grades are issued for H.B. 60 enrollment. Some classes are not available under H.B. 60, including but not limited to all computer and fitness classes.

Faculty are prohibited from adding a H.B. 60 student to any class that has students waitlisted for that course until after the last day for waitlist.
