		<input type="checkbox"/>	Department:		Biology
Revise/ Delete	Change*	Current	Change	Justification	Effective Semester
Revise	Credit	BIOL 3020: Molecular Biology is a 2-credit lecture	Change BIOL 3020 to a 3-credit lecture	Course requires more time to cover necessary information	Fall 2010
Revise	Credit	BIOL 3025: Molecular Biology Lab meets twice per week for 3 hours each time (2 credits)	Change to one three-hour lab per week for one credit	Only one three-hour lab is needed per week.	Fall 2010
Revise	Number change	For the past two years, Cancer Biology has been held under the BIOL 4990 course number.	Assign BIOL 3250 to the Cancer Biology course (same number as at University of Utah)	This popular summer lecture course needs to have its own number.	Summer 2010
Revise	Fee change	BIOL 4280: Marine Biology does not have a course fee.	Assign a \$200 course fee to BIOL 4280: Marine Biology to cover field trip to San Diego, CA over spring break.	The course fee would be covered by financial aid and is better than asking students to cover some of the expenses out of pocket.	Fall 2010

*Changes for which this form may be used. If more than one change needed, please use the standard course change form. Number and name changes may be considered as one change.
