Catalog Description
Fulfills general Education Information Literacy requirement by introducing students to university-level research in an online course. Students will learn to determine the extent of information needed; access the needed information effectively and efficiently; evaluate information and its sources critically; incorporate selected information into one's knowledge base; use information effectively to accomplish a specific purpose; understand the economic, legal, and social issues surrounding the use of information; and access and use information ethically and legally.
Competency-based course, graded Pass/Fail.

Course Rotation:
- Fall (every)
- Spring (every)
- Summer (every)

Justification for course/change:
Too align with Engl 1010-D.
